Southeastern Telecom, Inc.

Dear Mr. Haley:

Southeastern Telecom, Inc. recently completed the sale and installation of a replacement phone system for our law firm. I am writing to compliment your company and its employees for their efforts.

From the outset, we have been extremely impressed with each of your employees, who all have been responsive, courteous and always professional. We worked with Chris Carlyle, Danny Allen, Chris Murphy and Shandy Nix. Each of your employees worked with us to develop a very nice phone system that best meets our needs.

We have worked most frequently with Shandy Nix and Chris Carlyle. Shandy has been here often and present throughout most of the pre-installation phase. Shandy is delightful, always pleasant and helpful.

Chris Carlyle was here continuously for several days during the installation phase. We were all very impressed with Chris' knowledge of the system, his willingness to help each of us and patiently answer our many questions. Shandy and Chris are great representatives for your company.

We hope that we have a long association with Southeastern Telecom, Inc. and look forward to a mutually rewarding relationship.

Yours very truly,

William D. Leader, Jr.
